Public Comment:

Doug Henderson with CHS addressed the Council saying the convenient store has had multiple customers asking when their store would carry beer and wine. They have applied for a liquor application and thanked the Council for their consideration.

Dary Garretson gave an update on the Drake building, the first two floors are mostly empty. The basement still needs to be organized and they are hoping to have many volunteers help clean out the remainder. So far, they have had 17 volunteers donate 273 hours of work. She is meeting next week with the Town of Akron Main Street coordinator to move forward on the Main Street Project.

Regular Business:

Mayor Pro Tem Lundgren opened the public hearing for the CHS, Inc DBA Cenex Zip Trip #78 Fermented Malt Beverage and Wine Retailer License Application. Clerk Harms presented the map of the store and the local manager was present to answer questions about how they would stock the beer and wine. Chief Bullard says there are no concerns from the PD. Out of the 39 Cenex Zip Trip Stores, 35 store are licensed to sell beer and wine. There were no other comments, and the hearing was closed.

A motion was made by D. Green and seconded by J. Brammer to approve the Fermented Malt Beverage and Wine Retailer License for CHS, Inc DBA Cenex Zip Trip #78. A roll call vote was taken, and all present voted yes. Motion passed. The approved application will be sent to the State for approval before the store is allowed to sell beer or wine.

A motion was made by J. Brammer and seconded by T. Pope to participate in the Kroeger Opioid Settlement. Previously the Council voted to be a part of the NE Region 4 Opioid Council, this agreement listed several settlements, but Kroeger was not on the original statement. By agreeing to participate in the settlement it does not void the original agreement but adds/maximizes the settlement proceeds that will be distributed to our region. All present voted in favor; motion passed.

A motion was made by D. Green and seconded by T. Pope to move the regular September Monday meeting to Tuesday, September 3, 2024 due to Labor Day. All present voted in favor, motion passed.
